Quality, Equity, Dignity

A Network for Improving Quality of Care
for Maternal, Newborn and Child Health

With the support of UNICEF and the WHO

© UNICEF / UN25569/Kolari

OBJECTIVES OF THE SERIES

- To highlight the need for and opportunities to maintain and strengthen maternal, newborn and pediatric quality of care in the context of the COVID-19 pandemic
- To share global guidance and learn from countries on approaches to maintain quality essential MNCH services

© UNICEF/UNI148428/Ose

AGENDA – 6th WEBINAR IN THIS SERIES

Respectful maternal, newborn and young child care

Facilitated by: Dr. Blerta Maliqi (WHO)

- Setting the stage: what is respectful care in practice, what does it mean for health workers, and how have initiatives supporting respectful care been impacted by COVID-19? – Dr. Emma Sacks, UNICEF
- Findings from the Breakthrough Research on respectful care in Kenya and how it might inform interventions during COVID-19– Ms. Charity in Ndwiga, Population Council, Kenya
- Promoting family-centered newborn care in India and the challenges it brings during a pandemic–Prof. Arti Maria, Dr RML hospital in New Delhi, India
- Respectful care during COVID10: policy implications - M. Hester Nyasalu, White Ribbon Alliance, Malawi
- Ask the experts session

ASK THE EXPERTS

- Type your questions in the **chat box** in the bottom right corner of your screen
- Specify **who** you are addressing your question to
- Send your questions to '**All panelists and attendees**'

OVERALL GUIDANCE ON MAINTAINING SERVICES: MNCAH

Operational guidance on maintaining essential health services during an outbreak
